

Ron Mrozek

President

BACKGROUND & EXPERIENCE

Ron Mrozek has become a shining example of success for Farbman Group. Coming to our construction Company straight out of school, his hard work and dedication have helped him work his way up the ranks to the position of President of our Construction Company. While the projects upon which he has worked over his thirty-two years with the company have won too many awards and accolades to mention in this small location, he takes pride in all that he has and will accomplish.

EDUCATION

Bachelor of Science in Architecture
Lawrence Tech. University
Southfield, Michigan

RELEVANT PROJECTS

- Henry Ford Hospital Relocation - West Bloomfield, Michigan
 - 35,000 square foot interior finish for (3) Henry Ford Hospital departments.
 - Total cost \$3,100,000.00

Huntington Construction was contracted to complete a 35,000 square foot facility for Henry Ford Health System in West Bloomfield as part of a relocation of three departments from the main Hospital on 15 mile road. The facility houses Dermatology, Physical Therapy, and Optimeyes/Ophthalmology. The work was set to be completed in three phases. All phases were done and complete on schedule.
